co. 2. aan	

(3) The reported number of aircraft agrees with previous information by other sources. The unidentified aircraft in the woods are probably Personanther source observed a total of 40 Pe-2s at the field on 10 / 20 a second

25X1A

(4) The regiment continues retraining with jet bombers, lince almost no flights were made by Po-2s during the preceding weeks it appears that the many optimarily engaged in retraining. The aircraft numbers observed to be provided by other sources. The red numbers indicate that the air red turned over to the regiment in Cottbus by the homber regiment in the aircraft and the second of the regiment in the second over the regiment in Cottbus by the homber regiment in the second over the regiment in the second

(5) It cannot be inferred from this information whether it is interested to displace the Al guns. The house on the highway is indicated nor the displace on lap GSOS halfs, Sheet 4251.
